### RE: LETTER OF RECOMMENDATION FOR MS. SARAH MUENI MUTAMBU

It is my sincere pleasure to recommend Sarah Mueni Mutambu for admission to the MSc.Mathematics (Data Science) at the Pan African University. I have had the privilege of teaching Sarah during her undergraduate studies in Software Engineering at Murang'a University of Technology.

Sarah consistently distinguished herself as a high-performing and dedicated student throughout her coursework. She demonstrated a strong grasp of technical concepts and maintained a disciplined approach to her studies. Her passion for learning, coupled with her ability to work effectively in diverse academic settings, highlights her readiness for advanced studies in data science.

What sets Sarah apart is her ability to combine academic excellence with a genuine passion for advancing technology and contributing to societal development. She is a motivated individual who consistently seeks to expand her knowledge base, and these qualities make her an outstanding candidate for postgraduate studies.

In conclusion, I wholeheartedly recommend Sarah Mueni Mutambu for admission to your prestigious program. Her academic achievements, intellectual curiosity, and leadership potential assure me that she will excel in her postgraduate studies and beyond. Should you require further information, please do not hesitate to contact me at the details provided.

Thank you in advance.

Yours faithfully

Dr. Mogeni Aaron Oirere, PhD,  
Chairman of Department of Computer Science.
